**ORDER GRANTING CONTINUANCE
TO FILED MOTION TO SUMMARY
JUDGMENT**

In response to my Order to Show Cause regarding Dismissal for Failure to Prosecute, plaintiff filed a responsive document which I will treat as a request for a continuance to file his motion for summary judgment as required by Civil Local Rule 16-5 and as set forth in the Procedural Order for Social Security Review Actions served on plaintiff. Plaintiff's request for a continuance is **GRANTED**. Plaintiff shall file his motion for summary judgment by no later than **May 5, 2008**.

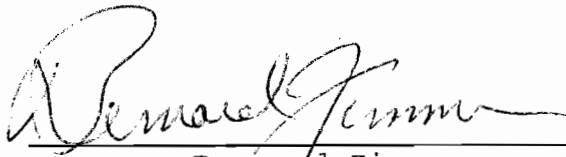

Plaintiff is admonished that he bears the burden of prosecuting this action by filing a timely motion for summary judgment. Plaintiff has burden of showing that there is not

1 substantial evidence in the administrative record to support
2 the decision to deny payments and whether the Secretary
3 complied with the requirements of the Constitution, the Social
4 Security Act, and the administrative regulations when reaching
5 the decision he is seeking review of.

6 If plaintiff requires the assistance of counsel in filing
7 the motion for summary judgment, he should contact a social
8 security attorney immediately. There is also a possibility
9 that he might be able to obtain pro bono counsel by inquiring
10 with the Volunteer Legal Services Program of the Bar
11 Association of San Francisco, (415)782-9000. However,
12 plaintiff is warned that even if he is unable to obtain
13 counsel, he is required to file the motion for summary
14 judgment by **May 5, 2008**.

15 The March 5, 2008 hearing on the Order to Show Cause is
16 **HEREBY VACATED**.
